From

To

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Sir,

I have the honour to forward herewith a statement furnished by the President, Municipal Commission, Bangalore, showing the actual expenditure up to 31.12.1933 and the probable expenditure for the remaining 3 months, January to March 1934, in respect of the following items, grants for which are payable to the Municipal Commission during the current year:-

1. Maintenance of the Municipal Girls' Schools.
2. Maintenance of schools opened under the Five Year Programme.
3. Maintenance of Yates Gardening School.
4. Expenditure under medical inspection of Municipal Schools.

(1) Maintenance of Municipal Girls' Schools:- From the statement furnished, the Municipal Commission anticipate an expenditure of Rs. 15,255-9-6 during the year on the maintenance of the 6 Girls' Schools. There is, however, a provision of only Rs.14,900/- in the current year's budget estimate under "Account II- Education - D.Grants-in-Aid to Non-Government Primary Schools - Grants-in-Aid to local bodies for Primary education -Maintenance of Municipal Girls' Schools". I propose that this amount be sanctioned for ~~the~~ payment to the President, Municipal Commission, as it is not possible to find funds to meet the balance.

15,255-9-6
14,900-0-0
355-9-6

(2) Maintenance of schools opened under the 5 Year Programme:-

12

The statement shows an anticipated expenditure of Rs.32052-2-0. Here again the budget grant (under the same head as above) is Rs.31,900/- which is less than the anticipated expenditure. I propose that this sum be sanctioned for payment to the President, Municipal Commission. I find that the anticipated expenditure for the three months, January to March 1934, consists of a sum of Rs.1000/- for furniture and another of Rs. 300/- for leave salary which may not be spent in their entirety, and so the actual expenditure may approximate more closely to the grant given.

32052-2-0
31900-0-0
Difference 152-2-0

(3) Grant to Yates' Gardening School:- This school was closed with effect from 1.4.1933 and the budget grant of Rs.4,400/- has been reappropriated - please see your No.1750/276-32, dated 3.3.1934. The fact that a sum of Rs. 317/- has been spent by the Municipal Commission during the current year for the payment of salary of staff and stipends for the month of March 1933, came to my notice at the time of the preparation of the final surrender statement and I have reported this fact to you in my No.429/21-24, dated 17.2.1934. I propose that this sum of Rs. 317/- be sanctioned for payment to the Municipal Commission by transfer of funds from some other head of the budget. Out of the grant of Rs.4,334-4-2 sanctioned for the school during 1932-33 (vide your No.2439 dated 22.3.1933), the Municipal Commission has spent only Rs.4,291-9-2, leaving a balance of Rs. 42-11-0, which may be deducted when sanctioning the grant.

(4) Medical inspection of Municipal Schools:- The expenditure under this head is Rs.150/- which may be sanctioned for payment to the Municipal Commission out of the provision under "Account II- Education- D. Grants-in-Aid to Non-Government Primary Schools - Grants-in-Aid to Primary Schools ", in the current year's budget. The Municipal Commission was paid a grant of Rs.217-14-3 during 1932-33, out of which only Rs. 109-14-3

has been

13

has been spent. The unspent balance of Rs.108-0-0 may be deducted when sanctioning the above grant.

I have the honour to be

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg and Bangalore.
